☒ Examiner's Statement of Reasons for Allowance

Art Unit: 3731

### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

the prior art of record does not show or fairly suggest a bone screw system comprising: a bone screw having a head and a shank portion extending longitudinally from said head, said shank portion having threads formed on at least a portion thereof and a bore extending longitudinally to a closed distal end, said threaded portion having a plurality of apertures formed therein in open communication with said bore, said head having an opening formed therein and in open communication with said bore; and an adapter releasably lockingly coupled to said head of said screw and sealingly engaged with said bore. In specific, the examiner does not see any suggestions or disclosure of a locking mechanism between the screw and the adapter in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 3731

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daphna Shai whose telephone number is (703) 308-1685.
